

# Discover the Leader Within

## Everyone has LeaderShip within Them

The Discover the Leader Within® program utilizes a variety of four color instruments that produce the eight styles of leadership. Each profile helps you better understand yourself and others. LeaderShip begins with understanding self, and it is through understanding others and building deeper levels of trust that we can create lasting relationships that produce sustainable results.

### Learn To:

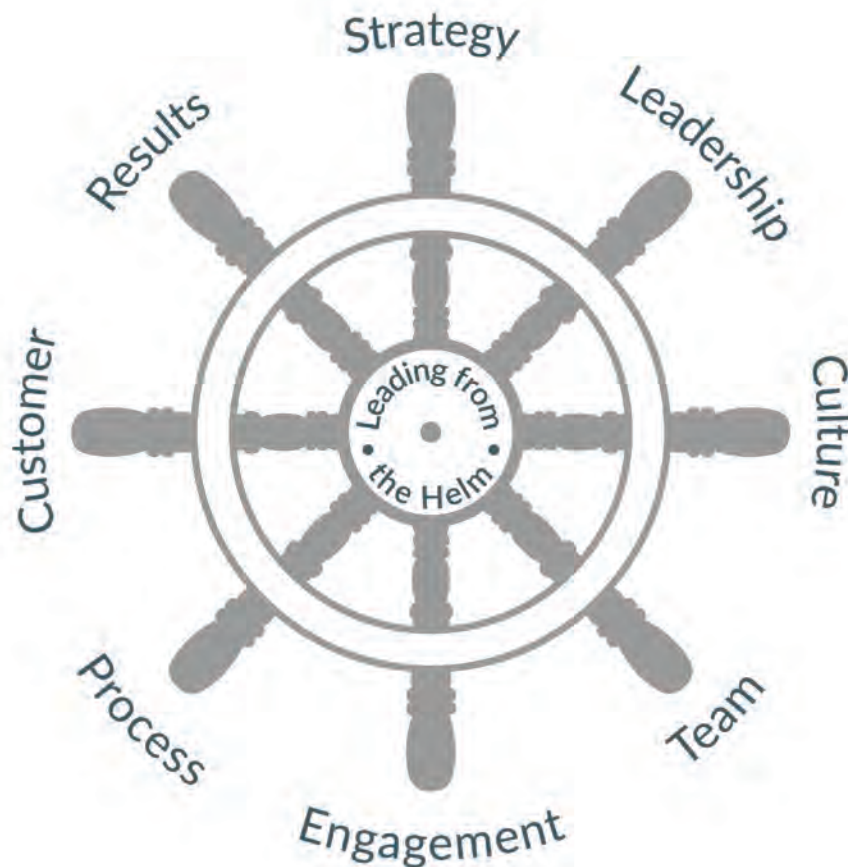

- Understand self and your leadership style
- Build trust in relationships, teams, and organizations
- Recognize type in others
- Adapt and connect with others
- Increase Social/Emotional Intelligence
- Increase Team Effectiveness
- Improve Employee Engagement
- Appreciate differences in others

LeaderShip can be found in every personality style. Which do **you** lead with?

# Discover the Leader Within
